BIRTHDAY CAKES CATALOGUE

HOMEMADE BY OUR TALENTED TEAM & FULLY CUSTOMIZABLE

Created in 2014, the Bayon Bakery and Pastry School offers a complete and entirely free vocational training for about 20 young women in very precarious situations each year.

They are taken care of for 12 months and follow a theoretical and practical training with 4 month of internship in the hotels of Siem Reap and Phnom Penh.

With the objective of contributing to the funding of the training, The Coffee Shop opened its doors in 2015.

It is a real educational support for the students who learn how to make pastries and bakery and learn about the service profession.
